

# 2009 NZGA Seminar

## Monitoring Developed Geothermal Resources

- Date:** 19th August
- Location:** Bayview Wairakei Resort
- Time:** 9.15am - 5.00pm Workshop  
7.00pm Dinner (drinks from 6.30pm onwards)
- Cost:** \$200 NZGA members, \$250 non-members  
(cost of dinner not included)
- Accomm:** A rate of \$135 pp has been arranged at the resort for workshop participants

The 2009 NZGA Workshop will host speakers from the industry, regulators and service companies, who will provide presentations and case studies outlining the current tools and methods used for monitoring geothermal resources. The morning session will include an overview, outline regulations and above ground monitoring. The afternoon session will be dedicated to subsurface measurements and case studies from current field operators.
