

**You are invited  
to a Workshop:**

# **FROM WASTE TO WEALTH: MINERAL RECOVERY FROM GEOTHERMAL BRINES**

**When:** Thursday 9 July 2015  
**Venue:** Novotel Rotorua Lakeside  
Lake End Tutanekai Street, Rotorua

**Time:** 9.30am-4pm

Registration and morning tea from 9.30am; session begins at 10am.

Our two-year research programme, funded by MBIE, aims to determine methods for recovery of minerals, metals, gases and trace elements from geothermal fluids. Join us to find out more about the outputs from the research work including; viability, market drivers, and regulatory framework likely to influence the successful implementation of such technologies.

The day will feature presentations and discussion panels on the following topics:

1. Chemical composition of New Zealand's geothermal fluids
2. Extraction technologies
3. Market opportunities
4. The legislative framework in NZ
5. Integrating the information & next steps

**Cost:**

\$20 per person. Cash at the door; receipts can be provided.  
Morning tea, lunch and afternoon tea included.

## **RSVP**

Please RSVP by 2 July 2015 to: [geothermalworkshop@gns.cri.nz](mailto:geothermalworkshop@gns.cri.nz)

Please provide us with your name, organisation and any dietary requirements.

If you would like a receipt, please also provide your address and email address and we will send out after the seminar.

More information and research reports can be found at: [www.waste2wealth.co.nz](http://www.waste2wealth.co.nz)
